Chantel:

Good afternoon, and thank you for the copy of the Court's Order.

The Order indicates that it is sent to the movant, respondent, and me.

It is my understanding that I am not a party to these proceedings. The affidavit submitted by me was in my capacity as a former associate and employee of Neiger LLP, and to state my observation in that capacity.

Please advise whether the Court requires anything further from me.

Thank you.

Respectfully submitted.

/s/ Jonathan Bodner
